Profile

Experienced ICT Advisor, now transitioning into a **Junior Web Developer** role. I bring a strong background in data protection, information security, e-signature, e-commerce, e-services, and e-governance. I pride myself on my strong analytical skills and commitment to staying up to date with the latest technologies. Now seeking new challenges in a dynamic and innovative company where I can apply and expand my skill set.

EDUCATION

Business College Helsinki / Full-stack Web Developer Program

08/ 2022 - 12/ 2023, Helsinki, Finland

Ege University / Master of International relations

2004 - 2007, Izmir, Turkey

AWARDS

Certificate of Appreciation from
the United Nations for
outstanding performance and
contribution to the excellent
organization and execution of the
7th Annual Internet Governance
Forum (IGF) in November 2012.

TwoDads Oy, Helsinki / Marketing Trainee/Digital Content Assistant

03/ 2017 - 05/ 2017, Helsinki, Finland

Oversaw content creation for the company's digital platforms, including the website, blog, and social media, and launched a Russian version of the website. Conducted market research in Russia and Azerbaijan, spearheading both online and offline marketing campaigns.

The Cabinet of Ministers / Adviser to Prime Minister on ICT

09/ 2014 - 04/ 2015, Baku, Azerbaijan

Coordinated ICT activities across government bodies, reviewed and finalized ICT-related legal drafts and resolutions. Suggested improvements for ICT development, supported operational tasks, participated in meetings, and analyzed research results.

The Ministry of Communications and Information Technologies / Leading/Senior adviser on ICT

06/ 2009 - 09/ 2014, Baku, Azerbaijan

Formulated policies and strategies for communication and information technology, including data protection, legislative enhancement, and personal data privacy. Contributed to the creation of national ICT concepts, programs, and strategies, while representing the country in national and international forums.
