Profile

Experienced Full-Stack Developer and ICT Adviser with a strong background in web development and technology strategy. Expertise in a range of technologies including JavaScript, Node.js, and REACT, combined with experience in project management and Agile methodologies. Proven ability in leading development projects and formulating ICT policies. Fluent in multiple languages and adept at cross-cultural communication, I am keen to apply my diverse skills in a forward-thinking tech environment.

EXPERIENCE

Kyky Today, Helsinki, Finland / Full-stack web developer

07/ 2023 – 01/2024, Helsinki, Finland (*Full-time*)

I excel in developing and optimizing user-friendly interfaces by translating UI/UX designs into functional applications, while ensuring a seamless integration with backend services. With a keen eye for detail, I am proficient in conducting regular code testing and debugging, maintaining cross-browser compatibility, staying updated with the latest front-end technologies, and rigorously documenting all development processes.

CoMoon GmbH, Hamburg, Germany / Co-founder/Web developer

01/ 2020 – 06/2023, Hamburg, Germany (*full-time*)

Developed and maintained the company's website using WordPress, ensuring a user-friendly interface and optimal performance. Collaborated with the team to implement new features and functionalities, enhancing the website's capabilities. Formulated and implemented strategies to meet short and long-term objectives. Fostered trusted relationships with partners and authorities, supervised executives, and managed challenges effectively.

Tulkkaus- ja käännöskeskus Professional Oy / freelance translator

12/ 2019 – 08/ 2020, Helsinki, Finland

Translated verbal communication in real-time during meetings, conferences, and other professional settings, ensuring all parties could engage fully in the discussion.

AWARDS

Certificate of Appreciation from
the United Nations for
outstanding performance and
contribution to the excellent
organization and execution of the
7th Annual Internet Governance
Forum (IGF) in November 2012.

Citizenship - Finland

TwoDads Oy, Helsinki / Marketing Trainee/Digital Content Assistant

03/ 2017 - 05/ 2017, Helsinki, Finland

Oversaw content creation for the company's digital platforms, including
the website, blog, and social media, and launched a Russian version of the
website.

The Cabinet of Ministers / Adviser to Prime Minister on ICT

09/ 2014 - 04/ 2015, Baku, Azerbaijan

Coordinated ICT activities across government bodies, reviewed and
finalized ICT-related legal drafts and resolutions. Suggested
improvements for ICT development, supported operational tasks,
participated in meetings, and analyzed research results.

The Ministry of Communications and Information Technologies / Leading/Senior adviser on ICT

06/ 2009 - 09/ 2014, Baku, Azerbaijan

Formulated policies and strategies for communication and information
technology, including data protection, legislative enhancement, digital-
signature, and personal data privacy. Contributed to the creation of
national ICT concepts, programs, and strategies, while representing the
country in national and international forums.
